

1- Abstracts

1. Predictive elements of success for restoring sinus rhythm by overdrive in atrial flutter. A.de Meester, J.J. Buy, L.De Roy. *Acta Cardiol* 1991; 46: 502-503. Xth Meeting of the BWGCPE. Nivelles 1990.
2. Can the ECG differentiate between ischemic and non-ischemic ventricular tachycardia. Joep Smeets, Luz Maria Rodriguez, Jürgen Schlapfer, Bayan Xie, Apostolos Katsivas, Antoine de Meester, Hein JJ. Wellens. *Circulation* 84; II-650. 1991.
3. Recurrence of atrial flutter after successful overdrive pacing. Antoine de Meester, Luc De Roy. Abstractbook. XIth Meeting of the BWGCPE. 1991.
4. Clinical assessment of thrombolysis in elderly patients with acute myocardial infarction. Antoine de Meester, Christian Miesse, Marius Vintilà, Ronica Luca, Jean Renkin, Jacques Col. Poster. *Eur Heart J* 1992; 13; A-280.
5. Mortality risk factors in coronary artery disease patient's resuscitated for cardiac arrest. A.de Meester, M.Vintilà, R.Luca, Ch.Miesse, TM.Kamba, J.Renkin, J.Col. Poster. XIIth Meeting of the BWGCPE. 1992. *Acta Cardiol* 1992; 47; 580.
6. How accurate is the electrophysiologic study in locating accessory pathways. A.de Meester, LM.Rodriguez, C.de Chillou, J.Schläpfer, J.Smeets, HJJ.Wellens. Maastricht Scientific Scession, 1992.
7. ECG pattern of ischemic left main coronary artery disease. A.de Meester, R.Luca, M.Vintilà, Ch.Miesse, J.Renkin, J.Col. *Acta Cardiol* 1992; 48; 125. Poster. Belgian Society of Cardiology 1993.
8. Acute management of refractory incessant ventricular tachycardia. A.Brasseur, A.de Meester, L.De Roy. *Acta Cardiol* 1992; 47; 581-582. Poster. XIIth Meeting of the BWGCPE. 1992.
9. Embolic events in atrial flutter. Antoine de Meester, Luc De Roy. *Acta Cardiol* 1992; 47; 562-563. Presentation orale. XIIth Meeting of the BWGCPE. 1992.
10. Further considerations concerning different locations of Mahaim fibers. A.de Meester, A.Brasseur, L.De Roy. *Acta Cardiol* 1992; 47; 570-571. Presentation orale. XIIth Meeting of the BWGCPE. 1992.
11. The acute results of coronary angioplasty according the balloon inflation protocol: a randomized trial comparing a strict and a tailored approach. Patrick Chenu, Antoine de Meester, Xavier Michel, Jean-louis Paquay, F.Cauwe, J.Jamart, Erwin Schröder. Presentation orale. BWGIC 1992. Zaventem.
12. High risk mortality factors in patients resuscitated for out-of-hospital cardiac arrest. A.de Meester, JM.Chaudron, J.Col. *Resuscitation* 1993; 25: 97 (P78). Up date in Sudden Cardiac Death, Vienna.
13. Early predictors of sudden death in elderly patients with acute myocardial infarction. A.de Meester, JM.Chaudron, J.Col. *Resuscitation* 1993; 25: 86 (P36). Up date in sudden cardiac death, Vienna.
14. Sustained ventricular tachycardia: Factors associated with early survival in ischemic and non-ischemic heart disease. Antoine de Meester, Dominique Djian, Raymond Luwaert, Paul Cheron, Jean-Marie Chaudron. *Resuscitation* 1993; 25: 82 (O19). Up date in sudden cardiac death, Vienna - Austria.
15. Is ischemia associated with a worse short- and long-term prognosis in patients with sustained ventricular tachycardia and coronary artery disease? Antoine de Meester, Dominique Djian, Raymond Luwaert, Paul Cheron, Jean-Marie Chaudron. *Resuscitation* 1993; 25: 82 (O17). Up date in sudden cardiac death, Vienna - Austria.
16. Is there still any indication for elective external DC shock in the treatment of symptomatic atrial fibrillation? Antoine de Meester, Dominique Djian, Raymond Luwaert, Paul Cheron,

- Jean-Marie Chaudron. Eur JCPE 1993; 3: A-40. 4th Congress on Cardiac Pacing and Electrophysiology (ICPEP) 1993. Antalya, Turkey.
17. Cardiogenic brain embolism in patients with atrial flutter. A.de Meester, A.Brasseur, P.Jaumot-Gilles, R.Luwaert, JM.Chaudron, L.De Roy. Eur JCPE 1993; 3: A-40. 4th Congress on ICPEP 1993. Antalya.
 18. SA-ECG in myocardial infarction: evidence for gender differences. A.de Meester, D.Djian, R.Luwaert, JM.Chaudron. Eur JCPE 1993; 3: A-26. 4th Congress on ICPEP 1993. Antalya.
 19. Does SA-ECG help in the diagnosis of alcoholic cardiomyopathy? A.de Meester, R.Luwaert, P.Cheron, JM.Chaudron. Eur JCPE 1993; 3: A-32. Presentation orale. 4th Congress on ICPEP 1993. Antalya.
 20. Long-term follow-up in high-risk patients with congenital complete heart block who underwent prophylactic pacemaker implantation. A.de Meester, A.Brasseur, R.Luwaert, P.Jaumot-Gilles, P.Cheron, L.De Roy, JM.Chaudron. Poster. Eur JCPE 1993; 3: A-44. 4th Congress on ICPEP 1993. Antalya.
 21. Radiofrequency ablation site in atrial flutter. L. De Roy, A. Brasseur, G. Dan, A. de Meester. Eur JCPE 1993; 3: A-16. Presentation orale. 4th Congress on ICPEP 1993. Antalya, Turkey.
 22. Early predictors of sudden death in elderly patients with acute myocardial infarction. Antoine de Meester, Jean-Marie Chaudron, Jacques Col. PACE 1993; 16: II-1212. Oral presentation, Euro-Pace, Ostend 1993.
 23. Sustained ventricular tachycardia: Factors associated with early survival in ischemic and non-ischemic heart disease. Antoine de Meester, Dominique Djian, Raymond Luwaert, Paul Cheron, Jean-Marie Chaudron. Poster, Euro-Pace, Ostend 1993. Abstractbook.
 24. Radiofrequency catheter ablation in type 1 atrial flutter. Luc De Roy, Alain Brasseur, Antoine de Meester. Abstractbook supplement p 37. Poster, Euro-Pace, Ostend 1993.
 25. Is ischemia associated with a worse short- and long-term prognosis in patients with sustained ventricular tachycardia and coronary artery disease? Antoine de Meester, Dominique Djian, Raymond Luwaert, Paul Cheron, Jean-Marie Chaudron. PACE 1993; 16: II-1212. Poster, Euro-Pace, Ostend 1993.
 26. Does SA-ECG help in the diagnosis of alcoholic cardiomyopathy? Antoine de Meester, Raymond Luwaert, Paul Cheron, Jean-Marie Chaudron PACE 1993; 16: II-1207. Poster, Euro-Pace, Ostend 1993.
 27. Suivi à long terme de patients avec bloc auriculo-ventriculaire complet congénital traités par un stimulateur cardiaque. A.de Meester, A.Brasseur, P.Jaumot-Gilles, R.Luwaert, P.Cheron, L.De Roy, JM.Chaudron. Poster. 10ème congrès de l'information cardiologique. Paris 1993. Abstractbook p31.
 28. Stimulation rapide permanente chez une patiente porteuse d'un QT long familial. JM.Chaudron, P.Cheron, A.de Meester, R.Luwaert. Poster. 10ème congrès de l'information cardiologique. Paris 1993. Abstractbook p31.
 29. Incessantes torsades de pointes et mort subite récupérée après mise en place d'un défibrillateur automatique implantable. A.de Meester, R.Luwaert, P.Cheron, JM.Chaudron. Poster. 10ème congrès de l'information cardiologique. Paris 1993. Abstractbook p31.
 30. The acute results of coronary angioplasty according the balloon inflation protocol: a randomized trial comparing a strict and a tailored approach. P.Chenu, A.de Meester, X.Michel, JL.Paquay, F.Cauwe, J.Jamart, E.Schröder. Belgian Society of Cardiology 1993. Acta Cardiol 1993; 48: 68-69.
 31. Radiofrequency catheter ablation site in atrial flutter and atrial tachycardia. L.De Roy, A.Brasseur, G.Dan, A.de Meester, JJ.Buy, S.Chevalier. Poster. Société belge de Cardiologie. Acta Cardiol 1994; 49: 95-96.

32. Quality of life late after radiofrequency ablation. JJ.Buy, A.Brasseur, A.de Meester, S.Chevalier, L.De Roy. Poster. Société Belge de Cardiologie. Acta Cardiol 1994; 49: 128-129.
33. Long-term follow-up in high-risk patients with congenital complete heart block who underwent prophylactic pacemaker implantation. A.de Meester, A.Brasseur, R.Luwaert, P.Jaumot-Gilles, P.Cheron, L.De Roy, JM.Chaudron. Poster. Belgian Society of Cardiology 1994. Acta Cardiol 1994; 49: 131.
34. Does the electrocardiogram assess the unfavourable outcome in severe acute pulmonary embolism? A.de Meester, P.Deltenre, L.Mertens, JM.Jacques, R.Luwaert, JM.Chaudron. BWGCPE 1994. Liège.
35. Usefulness of isoproterenol in the induction of sustained ventricular tachycardia during electrophysiology study. A.de Meester, JJ.Buy, S.Chevalier, JM.Chaudron, L.De Roy. Poster. BWGCPE 1994. Liège.
36. Successful radiofrequency ablation of a true parahisian accessory pathway. A.de Meester, JJ.Buy, A.Issa, F.Fievet, JM.Chaudron, L.De Roy. Poster. BWGCPE 1994. Liège.
37. Is there a link between some circus movement tachycardia and atrial flutter? A.de Meester, A.Brasseur, JJ.Buy, S.Chevalier, L.De Roy. BWGCPE 1994. Liège.
38. New electrocardiographic criteria for the diagnosis of ventricular tachycardia. A.de Meester, S.Chevalier, JJ.Buy, D.El Allaf, L.De Roy. Presentation orale. BWGCPE 1994. Liège.
39. Unusual behaviour of an atrioventricular nodal re-entry tachycardia. A.Brasseur, A.de Meester, S.Chevalier, A.Issa, L.De Roy. Poster. BWGCPE 1994. Liège.
40. Have the different treatment between 1984 and 1992 changed the incidence of arrhythmias after myocardial infarction. L.Mertens, A.de Meester, JM.Jacques, P.Cheron, R.Luwaert, JM.Chaudron. BWGCPE 1994. Liège.
41. Electrocardiographic characteristics of idiopathic right ventricular tachycardia. L.De Roy, A.Issa, A.Brasseur, A.de Meester, S.Chevalier, V.Hamoir, D.El Allaf. Presentation orale. BWGCPE 1994. Liège.
42. Efficacy and clinical outcome of radiofrequency catheter ablation in ventricular tachycardia in patients without structural heart disease. A.Issa, S.Chevalier, A.Brasseur, A.de Meester, O.Conard, P.Jaumot, L.De Roy. Presentation orale. BWGCPE 1994. Liège.
43. Risk stratification in massive acute pulmonary embolism! A.de Meester, P.Deltenre, JM.Jacques, J.Henrion, R.Luwaert, JM.Chaudron. Belgian Society of Cardiology 1995. Acta Cardiol 1994; 49: 532.
44. A new peculiar electrocardiographic pattern for the diagnosis of ventricular tachycardia. A.de Meester, A.Brasseur, JM.Chaudron, S.Chevalier, D.El Allaf, L.De Roy. BSC 1995. Acta Cardiol 1994; 49: 538.
45. Long-term efficacy and clinical outcome in patients with idiopathic ventricular tachycardia treated with radiofrequency catheter ablation. A.Issa, S.Chevalier, A.Brasseur, A.de Meester, O.Conard, P.Jaumot, L.De Roy. Poster, Belgian Society of Cardiology 1995. Acta Cardiol 1994; 49: 521-2.
46. Idiopathic right ventricular tachycardias; electrocardiographic features. L.De Roy, A.Issa, A.Brasseur, A.de Meester, S.Chevalier, V.Hamoir, D.El Allaf. BSC 1995. Acta Cardiol 1994; 49: 521.
47. Sudden death recurrence in a subgroup of patients with a normal signal-averaged electrocardiogram. A.de Meester, JM.Jacques, R.Cytryn, JM.Chaudron, L.De Roy. XIth European Colloquium on Vectocardiography and Quantitative Electrocardiography. Brussels. 10/95.

48. Risk of embolism in atrial flutter after radiofrequency ablation. A.de Meester, S.Chevalier, R.Luwaert, JM.Chaudron, L.De Roy. Poster. Xth World symposium on cardiac pacing and electrophysiology. Buenos Aires, Argentina. 22-26/10/95. PACE 1995; 18: II-1828.
49. New peculiar electrocardiographic pattern for the diagnosis of ventricular tachycardia. Antoine de Meester, Ron Cytryn, Dia El Allaf, Luc De Roy. Poster. Xth World symposium on cardiac pacing and electrophysiology. Buenos Aires, Argentina. 22-26/10/95. PACE 1995; 18: II-1837.
50. Precise Localization of Left Free Wall Accessory Pathways Confirmed by Successful RF Ablation. Antoine de Meester, Ayed Issa, Stephan Chevalier, Luc De Roy. BWGCPE 1995. Aalst.
51. A new radiofrequency ablation approach for the modification of the AV conduction in patients with drug-refractory atrial arrhythmias. Antoine de Meester, Ayed Issa, Isabelle Michaux, Alain Brasseur, Luc De Roy. BWGCPE 1995. Aalst.
52. Radiofrequency ablation in ischemic ventricular tachycardia. Luc De Roy, Olivier Conard, Patricia Jaumot, Alain Brasseur, Antoine de Meester, Marie-France Leloup, Ayed Issa. BWGCPE 1995. Aalst.
53. How Accurate is the 12-lead Electrocardiogram in Precise Locating Left Free Wall Accessory Pathways Confirmed by Successful RF Ablation. A.de Meester, A.Issa, JM.Chaudron, L.De Roy. BSC 1996. Brussels. Acta Cardiol 1996, 51: 64-65.
54. RF modification of the AV conduction in patients with drug-refractory atrial arrhythmias: a new effective approach. A.de Meester, A.Issa, A.Brasseur, L.De Roy. BSC 1996. Brussels. Acta Cardiol 1996; 51 : 65-66.
55. RF ablation for ventricular tachycardia in coronary artery disease. L.De Roy, O.Connard, P.Jaumot, A.Brasseur, A.de Meester, MF.Leloup, A.Issa. BSC 1996. Brussels. Acta Cardiol 1996; 51: 63-64.
56. Lytic activity with accelerated t-PA assessed at bedside during thrombolytic therapy for acute myocardial infarction. Kamal Al Shwafi, Jacques Col, Bruno Pirenne, Antoine de Meester, Christian Miesse, Jean Renkin. J Am Coll Cardiol 1997; 29: A-412.
57. Early non-invasive prediction of successful reperfusion by serial enzymes release and continuous ST monitoring in acute myocardial infarction treated by thrombolytic therapy. A.de Meester, N.Hougardy, A.Parfonry, R.Luwaert, P.Cheron, JM.Chaudron. BSC 1997. Acta Cardiol 1996; 51: 561
58. Lytic activity with accelerated t-PA assessed at bedside during thrombolytic therapy for acute myocardial infarction. Kamal Al Shwafi, Jacques Col, Bruno Pirenne, Antoine de Meester, Christian Miesse, Jean Renkin. Belgian Cardiac Society 1997. Acta Cardiol 1996; 51: 598-599.
59. Lytic activity profile of 1,5 MU streptokinase infused in 60 minutes for acute myocardial infarction. Jacques Col, Kamal Al Shwafi, Bruno Pirenne, Antoine de Meester, Christian Miesse, Jean Renkin. Poster. European Society of Cardiology. Stockholm 1997. Eur Heart J 1997; 18: 633.
60. Comparative lytic activity profiles of accelerated infusion of t-PA and 30 mg bolus of TNK-TPA. K.Al Shwafi, A.de Meester, B.Pirenne, C.Miesse, J.Renkin, J.Col. Poster. European Society of Cardiology. Stockholm 1997. Eur Heart J 1997; 18: 633.
61. Comparison of lytic activities during accelerated t-PA and streptokinase in patients treated for acute myocardial infarction. A.de Meester, K.Al Shwafi, B.Pirenne, C.Miesse, J.Renkin, J.Col. Poster. European Society of Cardiology. Stockholm 1997. Eur Heart J 1997; 18: 634.
62. Rapid establishment of intense lytic activity with t-PA correlates with early ST elevation resolution as predictor of outcome after AMI. K.Al Shwafi, A.de Meester, B.Pirenne, J.Renkin, J.Col. AHA 1997.

63. In vitro lytic response to 100 U/ml streptokinase predicts ECG response to standard dose of streptokinase for AMI. Pascal Vranckx, Kamal Al Shwafi, Antoine de Meester, Bruno Pirenne, Luc Jacquet, Jean Renkin, Jacques Col. AHA 1997.
64. The early thrombolytic response during the 60-minutes infusion of 1.5 MU streptokinase determined the extent of ST resolution in patients with acute myocardial infarction. Antoine de Meester, Kamal Al Shwafi, Bruno Pirenne, Pascal Vranckx, Jean Renkin, Jacques Col. Oral Poster. Belgian Society of Cardiology 1998. Acta Cardiol 1997; 52: 543-4.
65. Rapid clot lysis test predicts lytic response to streptokinase therapy for acute myocardial infarction. K.Al Shwafi, A. de Meester, B.Pirenne, J.Renkin, J.Col. Oral Poster. BSC 1998. Acta Cardiol 1997; 52: 539
66. In-vitro streptokinase resistance test for rapid prediction of coronary artery patency using continuous ST-segment monitoring during acute myocardial infarction. Antoine de Meester, Kamal Al Shwafi, Bruno Pirenne, Pascal Vranckx, Jean Renkin, Jacques Col. Oral Presentation, BSC 1998. Acta Cardiol 1997; 52: 556-7.
67. In-vitro streptokinase resistance test, in the emergency room, for rapid prediction of coronary artery patency during acute myocardial infarction. A.de Meester, K.Al Shwafi, B.Pirenne, P.Vranckx, J.Renkin, J.Col. 1st European Congress of Emergency Medicine - San Marino 1998.
68. AV node ablation for drug-refractory atrial arrhythmias: comparison between ischemic and non-ischemic heart disease. Antoine de Meester, Raymond Luwaert, Ron Cytryn, Damien Prioux, Paul Cheron, Jean-Marie Chaudron. Poster, BWGCPE, Antwerp 1999.
69. In-vitro streptokinase resistance test for rapid prediction of coronary artery patency by angiography after acute myocardial infarction. A.de Meester, K.Al Shwafi, B.Pirenne, P.Vranckx, J.Renkin, J.Col. Oral presentation, European Society of Cardiology, Barcelona 1999. Eur Heart J 1999; 20 (Suppl): 476.
70. Evaluation of a rapid bedside test for streptokinase resistance applied in acute myocardial infarction. Kamal Al Shwafi, Antoine de Meester, Bruno Pirenne, Pascal Vranckx, Jacques Col. Poster, European Society of Cardiology, Barcelona 1999. Eur Heart J 1999; 20 (Suppl): 516.
71. Secondary prevention after infarction of the myocardium with Captopril. The Belgian multicentre PRIMA Survey trial. A.de Meester, S.Gurdain, for the PRIMA Survey investigators. Poster, BSC 2000. Acta Cardiol 2000; 55: 111-2.
72. Prevalence of streptokinase resistance: a prospective evaluation. K.Al Shwafi, A. de Meester, B.Pirenne, J.Col. Free communication, BSC 2000. Acta Cardiol 2000; 55: 103.
73. Comparison between lytic activity profiles of accelerated infusion of t-PA and single bolus of lanoteplase in acute myocardial infarction. Kamal Al Shwafi, Antoine de Meester, Bruno Pirenne, Jacques Col. Poster. European Society of Cardiology. Amsterdam 2000. Eur Heart J 2000; 21: 178.
74. Prevalence of streptokinase resistance among acute myocardial infarction patients. K.Al Shwafi, A.de Meester, B.Pirenne, J.Col. Oral communication. ESC - Amsterdam 2000. Eur Heart J 2000; 21: 482.
75. Comparative fibrinolytic activity profiles of the new single-bolus thrombolytics tenecteplase and lanoteplase during treatment of patients with acute myocardial infarction. K.Al Shwafi, A.de Meester, B.Pirenne, J.Col. J Am Coll Cardiol 2001; 37: 322A.
76. Torsades de pointes and ventricular fibrillation following amiodarone administration. F.Georger, C.Scavée, D.Blommaert, I.Keller, A.de Meester, L.De Roy. GET Rhythm, Interventional Rhythmology Meeting, Monaco 2001.
77. Torsades de pointes after amiodarone administration. C.Scavée, D.Blommaert, G.Mairesse, R.Mal, M.Nanan, A.de Meester, L.De Roy. Acta Cardiol 2001; 56: 339.

78. Short term effect of atorvastatin on ischemic threshold. M.Claeys, B.Cosyns, E.Hoffer, M.Carlier, L.Missault, F.Cools, A.de Meester, P.Vermeersch, E.Gobin, B.De Wit for the YCC. American Heart Association 2002.
79. Patient and physician preferences for therapy of an occluded infarct-related artery late after myocardial infarction. Observation from the registry of the occluded artery trial (OAT). J.Renkin, J.Col, O.Marcovitch, A.de Meester, P.Deceuninck, X.Michel, Y.Taeymans, P.Van den Heuvel, M.Castadot, S.Forman, GA.Lamas, JS.Hochman. Acta Cardiol 2003, 58: 81.
80. Élaboration d'un registre national TIMI-score : application dans un service d'urgence d'un hôpital tertiaire. Pascal Lemarque, Jean-Marie Jacques, Antoine de Meester. Présentation orale - Congrès International Interdisciplinaire sur les Urgences. Montréal 26-30.6.2005
81. Rapid and intense LDL-C reduction with a co-administration of ezetimibe 10 mg and simvastatine 40 mg after Acute Myocardial Infarction. Patrick Montant, Fabien Chenot, Philippe Boyazis, Olivier Marcovitch, Marc Blaimont, Antoine de Meester, Olivier Descamps. Acta Cardiol 2006; 61: 240-1.
82. TIMI-score for unstable/non-ST elevation myocardial infarction in Belgium. A.Vorlat, M.Claeys, H.De Raedt, S.Gevaert, Y.Vandekerckhove, P.Dubois, A.de Meester. Acta Cardiol 2006; 61: 254-5.
83. Clinical and echocardiographic data predict diagnosis in patient younger than 40 years admitted for chest pain and elevated troponin I levels. Valerie Kersten, Nicolas Lanthier, Olivier Descamps, Simona Semeria, Olivier Marcovitch, Antoine de Meester. BSIM 2006 + BSC 2007. Acta Clin Belgica 2006; 61: 304. Acta Cardiol 2007; 62 : 80-1
84. Risk of bleeding of patients older than 75 years treated with clopidogrel for symptomatic atherothrombosis. M.Rommelaere, V.Huberlant, OS.Descamps, S.Simeria, O.Marcovitch, A.de Meester. BSIM 2006 + BSC 2007. Acta Clin Belgica 2006; 61: 304. Acta Cardiol 2007; 62: 94.
85. Co-administration of ezetimibe and rosuvastatine in acute myocardial infarction. S.Simeria, A.de Meester, O.Marcovitch, M.Blaimont, OS.Descamps. BSIM 2006. Acta Clin Belgica 2006; 61: 302
86. Cardiac specific troponin I levels to predict the diagnosis in patients with dyspnea NYHA III-IV of unknown origin admitted in the emergency room. Sébastien Marchandise, Olivier Descamps, Olivier Marcovitch, Antoine de Meester. BSIM 2006. Acta Clin Belgica 2006; 61: 304
87. Underestimation of major adverse event rate by the TIMI risk score in unstable angina / non-ST segment elevation myocardial infarction. A.Vorlat, M.Claeys, H.De Raedt, S.Gevaert, Y.Vandekerckhove, P.Dubois, A.de Meester for the BIWAC. BSC 2007. Acta Cardiol 2007; 62: 103-4.
88. Discriminating factors for cardiac dyspnea versus non-cardiac dyspnea in patients with non contributive BNP-levels in the emergency department. Frants Liem, Olivier Descamps, Olivier Marcovitch, Antoine de Meester. Présentation orale : société belge de médecine interne 2007 et société belge de Cardiologie 2008
89. Evaluation of myéloperoxydase in the early diagnosis of acute coronary syndrome. Anne Druetz, Bénédicte De Vroey, Olivier Descamps, Gatien Roussel, Laurent Boon-Falleur, Olivier Marcovitch, Antoine de Meester. Poster pour la société belge de médecine interne 2007, présentation orale pour la société belge de Cardiologie 2008.
90. How can cholesterol kill the appetite? Than T.Ho, Antoine de Meester, Bénédicte Vanderperren. Poster pour la société belge de médecine interne 2007
91. Is Cholesterol Test Strip a Good Tool for CVD risk screening? JF.Cambier, OS.Descamps, O.Marcovitch, A.de Meester. Société Belge de Médecine Interne BSIM 2008.

92. Prognosis value of the QTc interval in acute coronary syndromes. B. De Vroey, OS Descamps, A. de Meester. Société Belge de Médecine Interne BSIM 2008.
93. Mortality benefit of primary PCI over thrombolysis is highly dependent on baseline risk profile. A population study of STEMI patients in Belgium. M J. Claeys, A. de Meester, C. Convens, P. Dubois, J. Boland, H. De Raedt, P. Vranckx, S. Gevaert, P. Sinnaeve, P. Evrard. BSC 2009. Acta Cardiol 2009; 64: 26-27.
94. Female Gender in STEMI: Influence on Mortality and Reperfusion, results from the Belgian STEMI registry 2007-2008. S. Gevaert, A. de Meester, P. Evrard, M. Renard, C. Beauloye, H. De Raedt, P. Coussement, P. Dubois, M. Claeys. ESC Barcelona 2009.
95. Is the mortality benefit of primary PCI over thrombolysis also present in diabetic STEMI patients? A population study of STEMI patients in Belgium. M J. Claeys, A. de Meester, C. Convens, P. Dubois, J. Boland, P. Sinnaeve, B. Scott, S. Gevaert, C. Beauloye, M. Renard. ESC Barcelona 2009
96. Characteristics and outcomes of STEMI patients not receiving reperfusion therapy. Results from the Belgian STEMI registry 2007-2008. A. de Meester, M.J. Claeys, P. Evrard, P. Dubois, P. Vranckx, P. Coussement, C. Beauloye, M. Renard, P. Sinnaeve, S. Gevaert. ESC Barcelona 2009
97. A simple point score system for predicting cardiac origin of dyspnea with nondiagnostic (100 to 500 pg/ml) BNP levels. Ahmed Benahmed, Olivier Descamps, Gatién Roussel, Laurent Boon-Falleur, Yves Coyette, Antoine de Meester. BSIM 2009 – Poster. Acta Clin Belgica 2009; 64: 569.
98. Mortality benefit of primary PCI over thrombolysis is highly dependent on baseline risk profile. A population study of STEMI patients in Belgium. M J. Claeys, A. de Meester, C. Convens, P. Dubois, J. Boland, H. De Raedt, P. Vranckx, S. Gevaert, P. Sinnaeve, P. Evrard. ESC Barcelona 2009. Eur Heart J 2009, 30 : 883-884.
99. BNP as a predictive factor of recurrence of atrial fibrillation after external electrical cardioversion. Prospective study in a single centre. N. De Schryver, A. de Meester, O. Descamps. BSIM 2009 : Poster. Acta Clin Belgica 2009; 64: 569. Belgian Society of cardiology - 29th Annual Scientific Meeting 2010: Poster. Acta Cardiol 2010; 65: 109.
100. BNP elevation identifies patients at high risk for adverse outcome after cardiac surgery. Prospective comparison between BNP, Parsonnet and EuroSCORE additive models. F. Bughin, C. Emilian, O. Descamps, P. van Ruyseveldt, T. Guennaoui, A. de Meester. BSIM 2009: Poster. Acta Clin Belgica 2009; 64: 568. Belgian Society of cardiology - 29th Annual Scientific Meeting 2010: Poster. Acta Cardiol 2010; 65:124.
101. The prognostic value of the QTc interval at admission in anterior ST-elevation myocardial infarction. Julie Melchior, Olivier Descamps, Nicolas De Schryver, Olivier Marcovitch, Antoine de Meester. BSIM 2009 - Poster. Acta Clin Belgica 2009; 64: 569.
102. Microvolt T-wave alternans in risk stratification of patients with ischemic and nonischemic dilated cardiomyopathy: can it help to better select candidates for ICD implantation? First experience of a single Belgian centre. Antoine de Meester, Olivier Descamps, Julie Melchior, Nicolas De Schryver, Damien Badot. Belgian Society of cardiology - 29th Annual Scientific Meeting 2010: Presentation orale. Acta Cardiol 2010; 65: 109-110
103. Characteristics and outcomes of STEMI patients not receiving reperfusion therapy. Results from the Belgian STEMI registry 2007-2009. A. de Meester, M.J. Claeys, P. Evrard, P. Dubois, P. Vranckx, P. Coussement, C. Beauloye, M. Renard, P. Sinnaeve, S. Gevaert. BSC 2010: presentation orale. Belgian Society of cardiology - 29th Scientific Meeting 2010: Presentation orale. Acta Cardiol 2010; 65: 125
104. Female Gender in STEMI: Influence on Mortality and Reperfusion, results from the Belgian STEMI registry 2007-2008. S. Gevaert, A. de Meester, M. Renard, P. Evrard, C.

- Beauloye, P Coussement, P Dubois, H De Raedt, M Claeys. Belgian Society of cardiology – 29th Annual Scientific Meeting 2010: Poster. *Acta Cardiol* 2010; 65: 109
105. A simple point score system for predicting cardiac origin of dyspnea with nondiagnostic (100 to 500 pg/ml) BNP levels. Ahmed Benahmed, Olivier Descamps, Gatien Roussel, Laurent Boon-Falleur, Yves Coyette, Antoine de Meester. Poster. 10th Annual Spring Meeting on Cardiovascular Nursing. 13/3/2010.
106. Female Gender in STEMI: Influence on Mortality and Reperfusion, results from the Belgian STEMI registry 2007-2008. Sofie Gevaert, Antoine de Meester, Marc Renard, Patrick Evrard, Christophe Beauloye, Patrick Coussement, Herbert De Raedt, Marc Claeys. Poster ACC Atlanta 2010.
107. Do we have to revisit optimal door-to-balloon times in STEMI patients? MJ. Claeys, A. de Meester, C. Convens, P. Dubois, J. Boland, H. De Raedt, P. Vranckx, P. Coussement, S. Gevaert, P. Sinnaeve, P. Evrard, C. Beauloye, M. Renard, C. Vrints. *Société Belge de Cardiologie* 2011 - Brussels. *Acta Cardiol* 2011; 66: 110.
108. Is TIMI-Score predictive of long-term cardiovascular events in young patients suffering of ST-segment elevation myocardial infarction? A single hospital study. L. Gerard, A. de Meester, M. Blaimont, O. Marcovitch, O. Descamps. Présentation orale - *Société Belge de Médecine Interne (BSIM)* 2011 – Leuven; Poster - *Société Belge de Cardiologie* 2011 - Brussels. *Acta Clin Belgica* 2010; 65: 453. *Acta Cardiol* 2011; 66: 114-5.
109. Left atrial appendage thrombus detection in patients with atrial fibrillation: Comparison between multidetector computed tomography and transesophageal echocardiography: a pilot study. H. Rouvière, A. de Meester, O. Descamps, G. Nicaise, D. Badot, C. Tutus, A. Benahmed, O. Marcovitch. Présentation orale - *Société Belge de Médecine Interne (BSIM)* 2010 - Leuven. *Acta Clin Belgica* 2010; 65: 453
110. Never too late to do well: should we recommend reperfusion therapy in STEMI patients with total ischemic time of 12-24 hours? Results from the Belgian STEMI registry. A.de Meester, MJ.Claeys, P.Evrard, P.Dubois, P.Vranckx, P.Coussement, C.Beauloye, M.Renard, P.Sinnaeve, H.De Raedt, J.Boland, C.Convens, S.Gevaert. Présentation orale - *Société Belge de Cardiologie* 2011 – Brussels. *Acta Cardiol* 2011; 66: 111.
111. Clinical characteristics and in-hospital mortality rate of young ≤ 40 years STEMI patients: Results from the prospective Belgian STEMI registry 2007-2009. A.de Meester, MJ.Claeys, P.Sinnaeve, J.Boland, C.Covens, P.Evrard, P.Dubois, P.Vranckx, P.Coussement, C.Beauloye, M.Renard, H.De Raedt, S.Gevaert. Poster - *Société Belge de Cardiologie* 2011 – Brussels. *Acta Cardiol* 2011; 66: 111-2.
112. STEMI and octogenarians: gender specific predictors of mortality and gender differences in reperfusion. Results from the Belgian STEMI registry. E.H.Vandecasteele, M.De Buyzere, S.Gevaert, A.de Meester, P.Evrard, J.Boland, H.De Raedt, P.Coussement, P.H.Dubois, MJ.Claeys. *ESC Paris* 2011, *Eur Heart J* 2011; 32 (Abstract Supplement): 165
113. Do we have to revisit target door-to-balloon times in STEMI patients? Marc Claeys, Antoine de Meester, Carl Convens, Philippe Dubois, Jean Boland, Herbert De Raedt, Peter Sinnaeve, Philippe Evrard, Christophe Beauloye, Sofie Gevaert. *Eur Heart J* 2011; 32 (Abstract Supplement): 987
114. Left atrial appendage thrombus detection in patients with persistent atrial fibrillation before cardioversion. Comparison between multidetector computed tomography and transesophageal echocardiography. A.De Cuyper, A.de Meester, O.Descamps, B.Seront, M.Laruelle, G.Nicaise, H.Rouvière, O.Marcovitch. 1^{er} prix du poster oral. *Acta Cardiol* 2012; 67: 111-2. *Société Belge de Cardiologie* 2012 - Brussels.
115. Influence of age on the clinical characteristics, treatments and 1-year outcomes of outpatients with stable coronary artery disease: a prospective analysis of 30 978 patients. CLARIFY investigators. *ESC* 2012. Poster 29-8-2012

116. Infection de sondes de défibrillateur implantable détecté par tomographie d'émission par positron : cas clinique et revue de la littérature en 2012. Nathalie Pirson, Antoine de Meester, Didier François. Poster BSIM 7-8/12/2012 ; Acta Clinica Belgica 2012; 67: 451. Poster pour la société belge de cardiologie 2013. Acta Cardiol 2013; 68: 84.
117. Persistent left superior vena cava and cardiac device implantation: report of two cases. Anne-Sophie Perrick, Patrick van Ruyssevelt, Antoine de Meester. Présentation orale à la société belge de cardiologie 2013. Acta Cardiol 2013; 68: 84. Poster BSIM 7-8/12/2012 ; Acta Clinica Belgica 2012; 67: 453
118. BNP, antidepressants and benzodiazepines as predictive factors of recurrence of atrial fibrillation after electrical external cardioversion. Gaetan Catala, Nicolas De Schryver, Antoine de Meester, Olivier Descamps. Poster pour la BSIM (société belge de Médecine Interne). Erasme - Brussels 2012 ; Acta Clinica Belgica 2012; 67: 455
119. The impact of chronic kidney disease on use of evidence based therapy in stable coronary artery disease: a prospective analysis of 22 560 patients. Kalra P, García-Moll X, Zamorano J, et al; CLARIFY Investigators. San Francisco - ACC 2013
120. A family with recurrent sudden death. Shakeel Kautbally, Coralie Hamoir, Olivier Marcovitch, Damien Badot, Antoine de Meester. Poster à la société belge de cardiologie 2014. Acta Cardiol 2014 ; 69 : 68-9
121. Comparison between transesophageal echocardiography and multidetector computed tomography in patients with persistent atrial fibrillation before elective external cardioversion : prospective study in a single hospital. Laurent Biquet, Caroline Lepièce, Sophie Hardy, Jérôme Siple, Acefee Defaee, Damien Badot, Olivier Marcovitch, Olivier Descamps, Antoine de Meester. Poster BeHRA 2015. Acta Cardiol 2015 ; 70 : 621
122. Cavotricuspid isthmus ablation in typical atrial flutter: Comparison of two radiofrequency ablation catheters. Acefee Defaee, Damien Badot, Antoine de Meester, Olivier Descamps, Caroline Lepièce. Poster BeHRA 2015. Acta Cardiol 2015 ; 70 : 617-8.
123. Impact of digital stent enhancement technique on decision making during percutaneous coronary revascularisation. Claudiu Ungureanu, Antoine de Meester, Jean-Luc Vandebossche. Acta Cardiol 2016; 71: 110.
124. Comparison between transesophageal echocardiography and multidetector computed tomography in patients with persistent atrial fibrillation before elective external cardioversion : prospective study in a single hospital. Laurent Biquet, Caroline Lepièce, Sophie Hardy, Jérôme Siple, Acefee Defaee, Damien Badot, Olivier Marcovitch, Olivier Descamps, Antoine de Meester. ECAS 2016. J Interv Card Electrophysiol 2016; 45: 321.
125. Long-term risk Assessment of TIMI Risk Score for STEMI. Ha Mo Linh Le, Olivier Descamps, Olivier Marcovitch, Marc Blaimont, Antoine de Meester. Poster, SBC 2017. Acta Cardiol 2017
126. The specificity of myocardial perfusion scintigraphy in the daily routine practice. Jean-Christophe Reiters, Xavier Theunssen, Antoine de Meester, Olivier Descamps, Claudiu Ungureanu. BSC 2018. Acta Cardiol 2018; 41 : S1, 1-54
127. Role of BNP dosage in patients over 80 years old admitted for dyspnea in the emergency care unit. Kamilia Chahi, Caroline Lepièce, Olivier Marcovitch, François-Xavier Lens, Florence Dupriez, Olivier Descamps, Antoine de Meester. BSC 2018. Acta Cardiol 2018; 41 : S1, 1-54
